SUBJECT: Australia/Korea Preseason Meetings

On **Tuesday, September 21st** CCQC has scheduled two industry meetings at the Tulare Ag Auditorium. The Australia Citrus Preclearance meeting will begin at 9:30 am and conclude by noon followed by the Korea orange export meeting from 1:30 to 4:00 pm. The requirements for the 2010/11 season for both programs will be presented as well as review issues from last season. To ensure we can accommodate everyone, we are asking that only two representatives from each packinghouse that plans to ship to Australia and/or Korea next season attend the meeting. The agenda will be sent out prior to the meeting. Please save the date on your calendar. The workshop dates will be announced at the meetings.
