

Step-by-Step Instructions ...

- (1) Once you have entered the USDA/FAS MRL Database site, the Terms of Use page will appear. After you have read the information, scroll down to the bottom of the page and check "I accept and understand these terms". Click enter.
 - (2) Click on Pesticide MRLs
 - (3) Click on the Horticultural & Tropical Products tab
- Four tabs will appear: Commodities, Pesticides, Markets and Result Number
- (4) Click on the Commodities tab and select the commodity(s) you are interested in
 - (5) Select the Pesticides tab, make your selections
 - (6) Select the Markets tab, select the countries. (Select US and Codex as your comparison base followed by the countries you are searching for)
 - (7) Select the Result Number tab
 - (8) Submit Query
